

School Alert

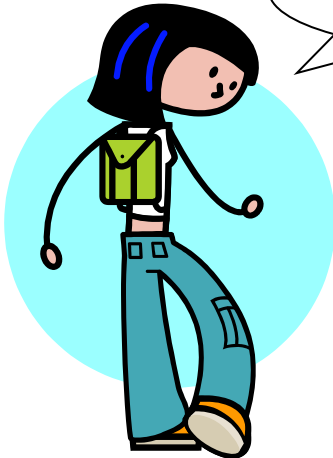

Help your students retain their classroom skills this summer by offering parents the AWARD-WINNING summer series that parents and teachers have trusted for over 10 years — **Summer Bridge Activities™**.

To support **Summer Bridge Activities™** in your school, you will receive the popular series for below-retail cost as a way to increase parent involvement and support other programs in your school.. PLEASE ASK FOR DETAILS!

Summer Bridge Activities™ was created by classroom teachers and is based on national and state standards. Each book includes daily activities in reading, writing, math and language arts with bonus activities in geography and science.

In order to make **Summer Bridge Activities™** available to your students with this special, below-retail offer, please follow the steps below:

Your Checklist:

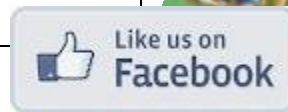

1. Distribute **Summer Bridge Activities™** flyers with an established due date.
2. Collect orders with payment.
3. Contact us with your total order and desired delivery date:
